For Revenue Receiving Only

Practitioners may not begin dispensing until this registration has been approved. A dispensing practitioner shall not dispense a controlled substance listed in Schedule II or III as provided in s. 893.03, F.S., unless exempted from this section by s. 465.0276, F.S.

Dispensing is defined as the transfer of possession of medicinal drugs from a physician to a patient in the office. A practitioner who writes prescriptions or provides medicinal drugs labeled as "drug sample" or "complimentary drug" is not a "dispensing practitioner," and therefore does not need to register with the department.

Dispensing Fee (non-refundable) **\$100.00** An annual inspection of your dispensing records will be conducted.

Fees must be paid in the form of a cashier's check or money order, made payable to the Department of Health.
